

Central Iowa Training Association and
Kirkwood Community College

July 1, 2022

We would like to invite you to be a sponsor/vendor at our 36th Annual CITA-Kirkwood Fire School. Again this year fire school will be held in one location to allow for classes to be in the same facility as the vendors. Vendors will be located throughout the hallway and will provide more opportunities for you to visit participants. **Again this year all students and instructors will receive a t-shirt instead of having door prizes. I encourage you to take advantage of this sponsorship opportunity as your logo will be placed on the back of all shirts.** For detailed information on sponsorship levels read through the Vendor Information sheet provided with this letter.

We have had several comments over the past few years that there are no opportunities to purchase firefighting accessories such as: boots, rescue/firefighting gloves, firefighter hoods, t-shirts, helmets, flashlights, etc. We encourage all sponsors/vendors to allow for sales of these types of items if at all possible.

Any further questions, please email Kim at: kim.fensterman@kirkwood.edu
